YOUR PASS TO PRO SAFE SPORT

This toolkit enables stakeholders such as sport organisations, coaches, parents and public authorities to promote safe and healthy sport environments for young athletes.

— The toolkit consists of the following elements:

Master Presentation

— This presentation highlights the normative framework on safe and healthy sport environments. Additionally, this section provides induction articles on “pro safe sport” topics.

Explanatory glossary

— The glossary contains the definitions of key terms and explanatory notes on the background of pro safe sport.

PSS workshop proposal

■ This contains an easy-to-use multiplier workshop template and guide for those parties interested in organising pro safe sport events using the tools of the PSS toolkit.

Self-assessment

■ This tool provides users with the opportunity to self-assess their organisational capacity to provide a safe and healthy sport environment for young athletes.

Model of excellence

■ The model describes a best practice example on how a pro safe sport strategy could be introduced and implemented.

Practice examples

■ This part contains further practice examples and food for thought on pro safe sport strategies based on projects of various stakeholders.

Interviews

■ This section contains a wide range of interviews on the various aspects of safe and healthy sport environments.

Resources

■ This section offers a list of links and further useful resources in the field of pro safe sport.

Presentations

■ This section contains a collection of high quality presentations held during the PSS workshops on physical, psychological, social well-being as well as on policy/ governance and fair play.
